PREOPERATIVE INSTRUCTIONS

Please follow these instructions on the day of surgery:

1. If you are having IV sedation, please do not eat or drink anything for 6 hours prior to surgery. (Unless otherwise instructed)
2. Please take your regular medications the day of surgery with a small sip of water. (Diabetics will need special instructions - please ask us)
3. Minors must be accompanied by a parent or legal guardian.
4. Wear comfortable, loose fitting clothing.
5. Please arrive with a relative or adult friend who will drive you home. We strongly recommend you do not drive a car or return to work the day of your general anesthesia.
6. To avoid being charged a surgical set up fee, please provide us with at least 24 hours notice if you need to change your appointment.

We look forward to the opportunity to care for you. Thank you for the privilege!
